Thousands of people each year dream of becoming homeowners. The CHF Platinum Program may help that dream become reality.

**This homebuyer assistance program currently provides low-to-moderate income families and individuals with a Grant that does not have to be repaid. Many times this allows them to purchase a home much sooner than they thought possible<sup>1</sup>.**

The Program is available for the purchase of an owner-occupied single-family residence, approved condominium or planned unit development located in the state of California.

The Grant made possible through the Program can be used towards the homebuyer's down payment and/or closing costs on a 30-year fixed-rate fully amortized FHA, VA or USDA Mortgage Loan.

**The Program is available for purchases of both new and existing homes and is NOT limited to first-time homebuyers.**
