

Dedicated to helping you every step of the way.

Becoming a home owner is a big decision. Whether this is your first time buying a home, or if you've purchased a home before, we're here to make the process as easy as possible.

That's why we're proud to partner with **Broadview Mortgage**.

Broadview Mortgage is part of a selected group of lenders that can exclusively offer special financing on HomePath properties.

HomePath financing means that you can borrow up to 97% of the price of the home with no mortgage insurance. It also means that less than perfect credit is allowed and that a down payment of only 3% is required which can be funded through a variety of sources.

If you haven't already done so, contact Broadview Mortgage to get Prequalified for a HomePath property. They will help you see how much house you can afford and the mortgage amount for which you qualify.

Owning a home begins with just click or a call.
